I can save you mine but someone will need to meet you at the parking gate to let you in when you arrive.

Hi Lasha,

Yes, I am here on O'ahu. I will do my best to meet at 1 p.m. on Wednesday. It will all depend on when my other meeting ends, how long it takes me to get a rental car and then get to your offices. Is it possible to get a parking space?

Coralie

Hi Coralie,

I understand you're already here on O'ahu, through Thursday March 2nd.  
We look forward to meeting with you on Wednesday, March 1, 2017 - 1 pm HST at our Pacific Islands Fish & Wildlife Office 300 Ala Moana Blvd., Room 3-122, Honolulu, HI 96850.

It'll likely be Darren, Toni, and myself and we'll talk briefly about where we think the bat amendment is at (we agree and understand now that DON's action is separate from the BTS control trials in the HMU). Meeting in-person will also give the three of us an opportunity to touch base on anything else leading up to the BA, as well as brainstorm on potential topics for our larger in-person meeting at Kaneohe Marine Base on March 13th.

We look forward to working with and completing this re-initiation with DON.

Please let us know should you have any questions.

Best,  
Lasha
